WEATHERVANE SPIRES AND GLOBES

SPIRES

Solid Stainless Steel rods machined and joined locally to my specifications.

3/4" x 48" Painted (Black) Stainless Steel Spire with 1/2" x 9 3/4" + S.S. Spindle - for 36" vanes.

7/8" x 62"-72" Painted (Black) Stainless Steel Spire with 1/2" x 13 1/2" + S.S. Spindle - for 48" vanes.

GLOBES

Metal spinings from 100% solid copper. The halves are soldered together with a smooth, finished seem. U.S. Artisan.

Natural Unfinished, or Gilded 23K Gold Leaf.

Thickness .032 for 3" - 5" globes
.043 for 6" - 8" globes
